**MainSt HUB - Attracting Retailers & Service Co's**

**MainSt HUB** offering is quickly increasing the number of storefronts and service providers to ARknet with the ease of having their products and services featured at no cost. The sentiment has resoundingly been, "Adding another channel where my products can show up here in town is a no-brainer." (Adding as many as 12 stores in 1 day.)

With MainSt HUB as our initial offering, ARknet has seen an increase in Retail shops and Service providers willing quickly agree to hang a shingle on ARknet's new mobile shopping platform, Main St Shopping.
